Native American Photographs Tagging Mission

Citizen Archivists, we have a [new mission](#) for you! More than [18,000 photographs from the Records of the Bureau of Indian Affairs \(BIA\)](#) are now available in the National Archives Catalog. We are looking for Citizen Archivists to add specific topical subject tags to each photograph in the Record Group.

L: Women and child by teepee, ca. 1936. [National Archives Identifier 285205](#)

R: Stone House during Construction / Men Working. [National Archives Identifier 7867978](#)

Check out the [mission page](#) for the list of topical subject tags. Please add one or more of these topical subject tags to each photograph in the mission. Tagging Native American records with these topical subjects will make them more searchable in the Catalog, and will help organize them by subject for use in future projects and resource guides.

For this project, all tags should be added to the **left side** of the image and description, as shown in this example:
